Sir:

AMENDMENT

In reply to the Office Action dated March 13, 2002, please amend the application
as follows:

IN THE CLAIMS:

Please amend claims 1-13 and 17-21, and add new claims 28, as follows:

1. (Thrice Amended) A camera comprising:
- an image-pickup device for receiving light to form an image of a subject,
for converting the light into electric signals and for producing image
information of the image of the subject by the electric signals;
 - a print information producing device for producing print information for
printing the image information, the print information including print
designating information which designates an image to be printed; and
